The Mushroom King and his daughter, Princess Toadstool, lived happily in the Mushroom Kingdom.

It was a magical place where everyone lived
in peace.

A tribe of evil turtles, led by Bowser, their king, invaded the land.
The Mushroom people fought bravely, but the vicious turtles defeated them.

Bowser used black magic to turn the
Mushroom people into bricks, stones and
horsehair plants.

Bowser put Princess Toadstool in the dungeon of a faraway castle. She was the only one with the power to free her people.

A brave and determined man named Mario decided to save the princess and set the kingdom free, and here the adventure begins.

Mario is a very busy man. When he is not trying to save Princess Toadstool, he might be found:
